

### Third Sunday of Advent December 17, 2017

Rejoice always.  
Pray without ceasing.

— 1 Thessalonians 5:16-17

#### REJOICE

Isaiah proclaims truly good news to us! God's coming brings not sadness, guilt, fear, wrath, or condemnation. No, God's coming is a source of comfort and joy. Saying it once is not enough, for today's readings are full of joy. Mary's Magnificat substitutes for our psalm today, and our second reading encourages us to rejoice, to give thanks and praise. This is the root meaning of the Greek word for eucharist. We are urged to rejoice and give thanks, because the coming of the Lord brings joy, healing, liberty, release, vindication. It makes the very earth spring up with new life! Good tidings!

#### TREASURES FROM OUR TRADITION

Last week, we looked at a form of nativity scene called a *presepio*, characterized by framing the crèche of Jesus with a vast array of personalities and a rich geographical context. The tradition was carried to the New World, and finds very rich expression in Latin America today. While in Europe the *presepio* was reserved mostly to the homes of wealthy nobles and great churches, in Latin America it was claimed by the poor and expressed the skills of native artisans. In Mexico, you can still find clay figures in every village market. In a way, the native people took the religion of Spanish rule and baptized it with their Indian culture by surrounding the crib of Jesus with local geography and people. In Brazil, where Christmas falls in summer, the figure of the baby Jesus is wrapped in gold and gems, and set on a hillside surrounded by flowers and animals of all kinds. Sometimes there is a double *presepio*, presenting both Nativity and Crucifixion.

In some places in Latin America, even non-religious people take care to have a *presepio* in the home, sometimes dedicating one whole room in the house or apartment to the scene. Some cities have markets where people from the countryside sell plants and figurines. In Cuzco, churches and families provide hot chocolate for the children of the poor who come down to help create the nativity scenes. In Paraguay, the baby Jesus grows—the small infant who arrives on Christmas Eve is replaced at New Year with a toddler Jesus who holds in one hand the globe and in the other a cross. Few Christmas traditions have the vitality and variety of *presepios* and crèches honoring the Nativity.

### RURAL FOOD PROGRAM UPDATE for NOVEMBER 2017

On November 14 we welcomed 131 families representing 194 adults, 86 children and 39 seniors for a total of 319 people receiving nutritional support. This program is funded through the Rural Food Collection on the last Sunday of each month as well as through private donations and the generous support of our volunteers.

In November the Rural Food distribution served 14% more clients than the same time last year. Requests for Star Child gifts also grew. Many clients expressed appreciation for our service and we expect that Rural Food will continue to serve more clients in the coming months. Parishioners are encouraged to promote the program in our service area, particularly to people who have been displaced by the wildfires. Please continue to collect paper grocery bags, especially with handles, and egg cartons. We are looking into biodegradable produce bags and recyclable grocery bags for our clients.
